Caged Crystals

Using stranded cottons and Preciosa crystals, the project is worked on a natural-coloured cotton/linen blend that has been backed with cotton voile.

The project kit includes everything needed to complete the project as under:

- Print on natural coloured cotton/linen blend
- Threads:
 - 22 skeins DMC stranded cotton solid colours
 - 4 skeins DMC stranded cotton variegated colours
- Beads
 - 1 pack Preciosa flat back crystals
- Needle Pack
- A teaching pack is included.

Whether your group or guild has chosen to do the workshop with live sessions or if you are instead, doing the prerecorded online workshop, each stitch or technique is provided in video format on a template. A sheet of templates is provided for the workshop and should be used to learn the stitches or techniques before working on the project. In addition to the templates, each participant will be provided with a teaching pack. The teaching pack consists of a doodle cloth and a range of threads and beads for use while learning. This means that participants do not have to use threads and beads from the project pack.

If your group or guild chooses to do the workshop with live sessions, high resolution video clips for all the stitches and techniques are provided in an online private domain so that participants will be able to reference them between and after the live sessions. Access to this domain does not expire so that participants are not under pressure to finish the project within a designated time frame. Each participant will receive an access document by email.

Step by step instructions, along with colour images, diagrams and stitch guidelines are provided in the Crewel Animal Portraits book. These instructions should be used in tandem with either the live sessions or the prerecorded video lessons.

Because of publishing contracts, participants will be required to own a copy of the Crewel Animal Portraits book to access the written instructions. If any of the participants do not own the book, we should be informed and the necessary number of copies of the South African edition of Animal Portraits will be included in your kit shipment.
