### Needle Weaving Techniques

Use modified loom weaving patterns to create unique textures with 45 patterns across 5 categories

Each pattern is meticulously illustrated with step-by-step guides, and some techniques are supported by high-resolution video tutorials for a comprehensive learning experience.

The collage features several video thumbnails and pattern diagrams. One video is titled "Needle Weaving: Basic Weaving" and another "Needle Weaving: Pattern no. 2". A central diagram shows a blue and white woven pattern with the following specifications:

**Warp Stitches:**

<b>Warp:</b>	4 x colour 1 4 x colour 2
<b>Weft:</b>	4 x colour 2 3 x colour 1 (pattern repeat 7 rows)

**Weft Rows:**

<b>Colour 2</b>
(O2, U1) O3, U1
(U1, O1) O3, U1
3, U1

Other diagrams include "Needle Weaving: Braid No. 1" with instructions: "Using Perle no. 12 thread, this weave covers a height of 12 mm with the leng." and "Working on a Square/Rectangle:" with a blue and white pattern. A circular diagram is labeled "Working on a Circle:" and includes the following specifications:

**Warp Stitches:**

<b>Warp:</b>	2 x colour 1 4 x colour 2
<b>Weft:</b>	4 x colour 1 4 x colour 2 (pattern repeat 8 rows)

**Weft Rows:**
