

The Workroom

Video Stitch Dictionaries

Take the guesswork out of your favourite designs. We provide a growing catalogue of 45 dedicated stitch dictionaries specifically for projects in Hazel Blomkamp's books and the Studio Designs range.

- **Tailored for You:** Each dictionary is a custom roadmap containing every specific stitch and technique required for that project.
- **Video-First Learning:** Nearly every technique is paired with a high-definition video clip, ensuring you have a master teacher guiding you.
- **Expert Clarity:** In the rare instance a video isn't available, you'll find exhaustive, step-by-step written descriptions to ensure your success.
